How it works ... Simple Steps to a better BEE Scorecard

1. Present this proposal to your BEE auditor / consultant to confirm that Siyabonga Africa is the best avenue to cater for and boost your company's scorecard requirements; and to ensure the paperwork issued (as above) is acceptable - prior to any partnership transactions
2. Find out from your auditor, your required spend per pillar
3. Invest the allocated spend with Siyabonga Africa
4. Send your proof of payment to bee@siyabongafrica.org.za along with the indication of the spend allocation per pillar
5. Within 30 days, you will receive your paperwork and Tax Exemption certificate – ready for your BEE audit

Please note:

- Scorecard elements / Items which Siyabonga Africa will not be able assist with include: Procurement (which falls under the Supplier-Enterprise Development Pillar) as well as Management & Control
- Siyabonga Africa does not guarantee BEE scorecard points.
- A customised BEE strategy proposal can be drawn up for your company's BEE requirements – on request
